

What is Friday Boyz?

An up and coming Disc Jockey Service Company located in San Diego, California.

About Us

Friday Boyz Production is a Professional Disc Jockey Service for all occasions.

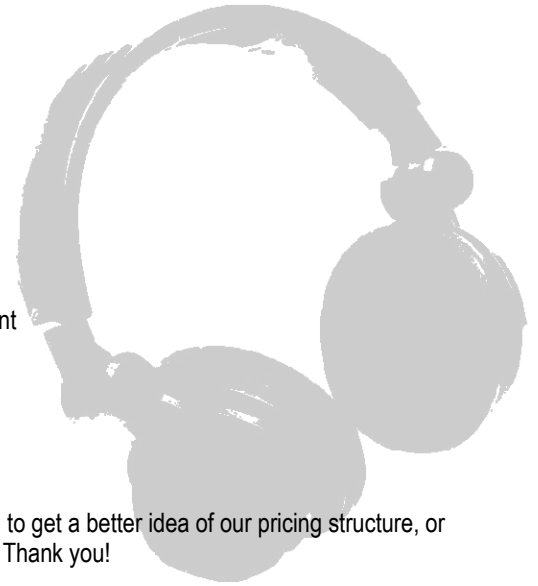

We are a mobile DJ and cater to the vicinity of Southern California. We play music from most genres which include, Reggae, Rap, Hip-Hop, R&B, Oldies, and Island music. We specialize in each of these genres, but we are not limited to them.

Since we strive for high customer satisfaction, we do our best to maintain a high level of service by coordinating a playlist with the event coordinator or venue manager. Because we are versatile with our playlist, it allows us to cater to all age groups as well as feed off the crowd. We strongly understand that it is a DJ's job to keep people on the dance floor. This is the reason why we have repeating customers which is shown in our credentials. For club venue owners, we also promote our own gigs.

With our experience and professionalism, we hope to be the DJ of choice for your next event, occasion, or venue.
